

# **State of Kansas**

**Products and Services**

# 2006

**Manufactured and offered by Kansans  
who are blind or severely disabled**

# GENERAL INFORMATION

This catalog is published in compliance with K.S.A. 75-3317 through 75-3322, "The Kansas Use Law." When a State agency or Unified School District has need to purchase products such as those listed in this publication, it is a violation of Kansas law to purchase from any source other than this catalog. The Kansas Director of Purchases has found the items in this catalog to be consistent with "The Kansas Use Law" and has therefore designated them for mandatory purchase. The intent of "The Kansas Use Law" is to help provide employment for Kansans who are blind or severely disabled. Purchase of products and services from these exceptional Kansans helps them be a productive force contributing to the economy of our State.

## A Summary of Kansas Laws about Purchasing

### Summary of K.S.A. 75-3321

The Director of Purchases and any person or officer authorized to purchase materials and supplies for any State agency or Unified School District operating in Kansas, or to purchase services for any agency within Kansas State government, shall purchase, from the catalog, "Products and Services Manufactured and Offered By Blind and Severely Disabled Kansans," at any time when the listings in that catalog will meet the needs of the agency or school district.

### Summary of K.S.A. 75-3322

Whenever the qualified vendors represented in this catalog are unable to supply the products or services needed, or are unable to meet delivery requirements on any purchase order or requisition, a written waiver request shall immediately be forwarded to the director of purchases by the state agency procurement officer or purchasing officer of the unified school district. If approved by the director of purchases such waivers shall relieve and exempt the state or Unified School District from the purchasing requirements set forth in the relevant Kansas laws (K.S.A. 75-3317 and 75-3322). The waiver granted shall apply only to the case of the specific purchase order, request or requisition.

## BENEFITS OF THE PROGRAM

- Yields meaningful employment and training
- Compliments and encourages efforts to deinstitutionalize people who have disabilities
- Advocates self-sufficiency for those with disabilities
- Reduces cost of service care for people with disabilities
- Encourages community involvement and support of people who have disabilities
- Supports efforts for a good business approach to spending vocational rehabilitation dollars
- Increases tax base
- Decreases tax requirements
- Stimulates growth of Kansas local economy
- Ensures continuity in the supply of needed services and products to customers
- Provides opportunity for State agencies to contract for services at a lower cost than in-house services
- Promotes productivity in vocational rehabilitation centers

---

# OUR POLICY

**We place strong emphasis on  
the quality and reliability  
of our products and services.**

**Our products and services are  
guaranteed to give satisfaction.**

**If there is a factory error, the qualified  
vendor will issue proper credit or  
replacement after receipt and  
inspection of goods.**

**Freight will be paid by the qualified  
vendor if a factory error was made.**

**Feel free to write or call with any comment.  
You will receive fast, personal attention.**

**We want you to be as pleased as  
we are with the efforts of our facilities.**

### SALES SUPPORT

- Contact Customer Service for samples, updated pricing and literature.

## GENERAL PURPOSE TRASH BAGS

### HIGH DENSITY LINERS

The high molecular weight of the high density polyethylene resin produces a **general purpose liner** that is approximately 1/3 the weight of traditional can liners. The use of fewer raw materials returns less plastic to our environment.

PART #	W	L	CAPACITY	DRY/WET LOAD (LBS)	DUTY	COLOR	QTY PER CASE	PRICE
HD4L	17"	18"	4 Gallon	15	Light	Natural	2,000	14.67
HD710L	24"	24"	7-10 Gallon	20	Light	Natural	1,000	18.19
HD1216L	24"	33"	12-16 Gallon	20	Light	Natural	1,000	23.48
HD2030M	30"	37"	20-30 Gallon	30	Medium	Natural	500	20.64
HD2030H	30"	37"	20-30 Gallon	50	Heavy	Natural	500	26.66

HD5560H	38"	60"	55-60 Gallon	55	Heavy	Natural	200	22.68
HD5560XH	38"	60"	55-60 Gallon	75	Extra-Hvy	Natural	200	29.26

**Other Sizes Available Upon Request**

### LINEAR LOW DENSITY LINERS

The **linear low density liners** are highly *puncture and tear resistant*. This is the best choice when additional strength and stretch is required. These are an excellent choice for waste with sharp or jagged edges.

## TOTALLY DEGRADABLE BAGS

Choose our **totally degradable bags** for waste destined for the landfill. Our degradable†† bags fully degrade when disposed of in commercial landfills and are guaranteed to leave no harmful residues. The only by-products of degradation are Co<sub>2</sub> and H<sub>2</sub>O, biomass and small, molecular fragments that are consistent with materials that biodegrade.

## **Total Fulfillment**

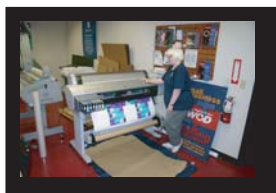

Envision Print is dedicated to taking your order from beginning to end. We can store, pack and ship it to your customers. Get the product when and where your customers need it most. In their hands!

Whatever the order, Envision Print can fill it.

## **Total Mailing Services**

We maintain your customer lists (large or small). We process the list (including Cass certify via the Post Office, and Zip+4 encoding of the addresses).

We print, prepare, and mail for you. Most mailings are completed and delivered to customers within 5 to 7 business days. Delivery times depend on quantities and customer deadlines.

## **Digital Printing on demand**

Envision Print's on-line ordering system allows immediate confirmation of orders for our customer's convenience and piece of mind. We offer a full line of Digital Printing services. These include full color, black and white and large format printing. Digital printing allows for a cost effective and time efficient solution for small production runs rather than traditional printing of large quantities.

Variable data printing can be customized for your targeted audience.

## High Performance Air Filters

KETCH offers standard and custom-sized air filters at competitive prices.

- ★ Pleated cotton filters.
- ★ Polyester filters.
- ★ Fiberglass filters.
- ★ Polyester and fiberglass filter pads.

## Standard Sized Pleated Air Filters

**Filter Media:** The filter media used on both standard and custom filters is a high performance, non-woven, cotton fabric fully supported with an expanded metal wire grid.

**Filter Trays:** The die cut filter trays for standard filters are pearl-coated beverage board. The filter trays used for custom filters are hand-assembled from pearl-coated chip board and are supported with metal material.

**Test Results:** Pleated filters have an average dust weight arrestance of 92% on 1" thickness and 95% on 2" thickness per ASHRAE standard 52.1—1992.

## High Performance Polyester & Fiberglass Air Filters

**Filter Media:** The filter media used in the manufacture of polyester filters is a synthetic fiber media that exhibits a uniform density and resilient body. The material also has higher arrestance efficiency than fiberglass. The media used in the manufacture of fiberglass filters is a progressive graduated density glass fiber material, composed of continuous filament glass fibers bonded together with a thermosetting resin.

**Filter Tray:** The material used to manufacture the die cut filter trays for standard sizes is pearl-coated beverage board. The filter trays for custom sizes are hand-assembled from pearl-coated chip board and are supported with metal material.

**Test Results:** Polyester filters have an average dust weight arrestance of 79% on 1" thickness and 89% on 2" thickness per ASHRAE standard 52-76. Fiberglass filters have an average dust weight arrestance of 70% on 1" thickness and 80% on 2" thickness per supplier performance data.

### Standard Sized Polyester and Fiberglass Air Filters

## Safety Products

KETCH offers a variety of Crews Safety Glasses meeting ANSI Z94.3/Z87. Crews brand provides protection against **moderate** impact hazards, metal chips, particles, and sparks. Tinted lenses provide sun glare protection only and are not to be worn in welding environments. Special welding lenses provide protection from infrared rays and have the shade number stamped on each lens. **No welding lenses are offered for sale on this page.** However, those we offer through the Crews brand provide virtually 100% protection from ultraviolet rays.

Refer to your ANSI manual or a safety specialist for proper selection as some operations may also require safety glasses *and* face shields, machine guards, etc.

### Crews Storm Safety Glasses

Designed for a comfortable fit, the STORM glasses feature a lightweight, scratch resistant polycarbonate wrap-around lens with 99.9% ultraviolet protection, and ratchet-action temples with non-slip rubber head-grips.

Item Number	Style/Frame/Lens	Unit Price	# Per Case
400-0118	Crews Storm/Black/Gray	\$5.28	12
400-0119	Crews Storm/Black/Clear	\$5.28	12
400-0128	Crews Storm/Blue/Gray	\$5.28	12
400-0129	Crews Storm/Blue/Clear	\$5.28	12
400-0139	Crews Storm/Red/Clear	\$5.28	12

### Crews Prodigy Safety Glasses

Designed for a comfortable fit, the PRODIGY glasses feature a wide field of vision with temple side shields. Weighing only 1.2 ounces, this is a perfect blend of style and comfort that also provides 99.9% ultraviolet protection.

Item Number	Style/Frame/Lens	Unit Price	# Per Case
400-0217	Crews Prodigy/Black/Amber	\$4.22	12
400-0218	Crews Prodigy/Black/Gray	\$4.22	12
400-0219	Crews Prodigy/Black/Clear	\$4.22	12
400-0228	Crews Prodigy/Blue/Gray	\$4.22	12
400-0229	Crews Prodigy/Blue/Clear	\$4.22	12
400-0239	Crews Prodigy/Red/Clear	\$4.22	12

## Safety Products

### Crews Tomahawk Safety Glasses

An economical choice, the TOMAHAWK glasses feature an angled lens with temple length and ratchet-action adjustments.

Item Number	Style/Frame/Lens	Unit Price	# Per Case
400-0317	Crews Tomahawk/Black/Amber	\$3.17	12
400-0318	Crews Tomahawk/Black/Gray	\$3.17	12
400-0319	Crews Tomahawk/Black/Clear	\$3.17	12
400-0328	Crews Tomahawk/Blue/Gray	\$3.17	12
400-0329	Crews Tomahawk/Blue/Clear	\$3.17	12

### S & W Remington Safari Safety Glasses

The ergonomic Safari temples position snugly behind each ear and the self-adjusting soft rubber nose pad offers all-day comfort. Exceeds ANSI Z87.1 Industrial Safety Protection Standards, and has maximum ultraviolet protection up to 400 nanometers. Precision placement of diopter strength lens inserts (+1.5, +2.0, +2.5) helps prevent accidents, headaches and eye strain.

Item Number	Style/Frame/Lens/Power	Unit Price	# Per Case
400-7111	Safari/Black/Clear/+1.5	\$13.85	12
400-7112	Safari/Black/Clear/+2.0	\$13.85	12

## **Guidelines for the Purchase, Use and Return of Printer Cartridges for Laser Printers, Inkjet Printers, Fax and Multi Function Machines**

State Use Catalog Vendor for laser printer cartridges, inkjet printer cartridges, multifunction and fax machine cartridges, ect., is:

**Cartridge King of Kansas**

### **Recycle ALL Printer Cartridges**

Printer cartridges purchased with state funds are the property of the state, and they have monetary value even after they are empty. Since disposal of printer cartridges adds to the tonnage of solid waste in landfills and can contribute to the depletion of natural resources, state agencies, universities and school districts must recycle printer cartridges whenever possible.

When a printer cartridge or core is empty, do NOT throw it away, and do NOT offer or sell it to a third party. The state's printer cartridge remanufacturing program requires that each empty cartridge be returned to one of the state approved toner cartridge vendors. Failure to return empty cartridges may result in an additional core charge upon reorder. Returning empty toner cartridges to approved State Use Vendors keeps the cost of remanufactured toner cartridges competitive.

**To assure the state's printer cartridge remanufacturing program, 75% of all cartridges used by state agencies and school districts should be remanufactured whenever possible. Order a remanufactured product unless one of the following conditions apply:**

1. Adequate market research establishes that remanufactured cartridges do not exist for the type of equipment used.
2. The price with the same page yield offered for the remanufactured cartridge is higher than a new cartridge from the original equipment manufacturer (OEM).
3. Remanufactured cartridges are not available in quantities needed within the timeframe required.

Each of the state approved vendors for toner cartridges offers both remanufactured and new original equipment manufacturer (OEM) toner cartridges.

### **What Do I Do With Empty Cartridges?**

Make arrangements with the state approved cartridge vendors for pickup of depleted cartridges.  
**Cartridge King of Kansas Phone 888-621-5860 or email [info@cartridgekingks.com](mailto:info@cartridgekingks.com) or**

### **What About Quality and Warranties?**

Many of the remanufactured products offered by the state approved printer cartridge vendors meet standards for print quality and page counts. Contact the state approved cartridge vendor for their information on the procedures, tests and standards that are performed on their product. Both of the state's approved vendors offer guarantees (refer to the information supplied by Cartridge King of Kansas on the following pages).

**OUR MISSION**

To excel in providing services to individuals with disabilities by promoting community inclusion, and employment opportunities with the maximum level of independence and dignity.

# CENTER INDUSTRIES CORPORATION

## Graphics Division

*Specializing in custom printed hang tags and security decals*

## HANG TAGS

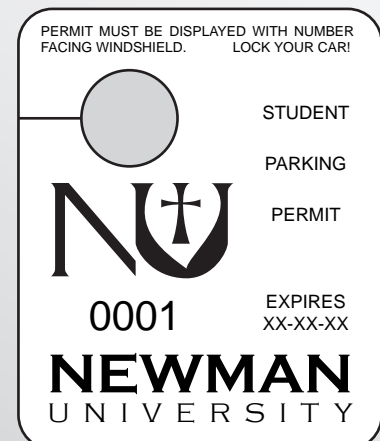

Sample pricing reflects hang tags printed on one side with one ink color.

Size	Material	500	1000	2500	5000+
3"x4"	.023 plastic	0.8568	0.5822	0.4175	0.3626
3"x6"	.023 plastic	0.8988	0.6242	0.4595	0.4046

*We will prepare a quote for you based on your individual needs.*

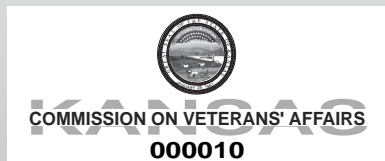

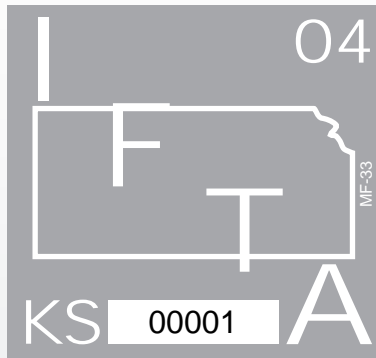

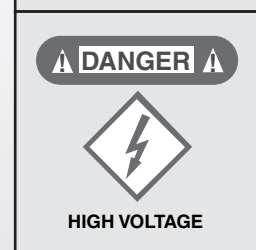

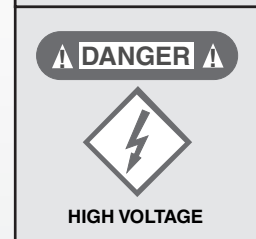

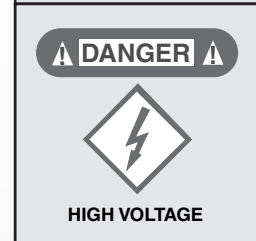

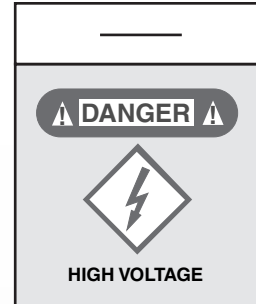

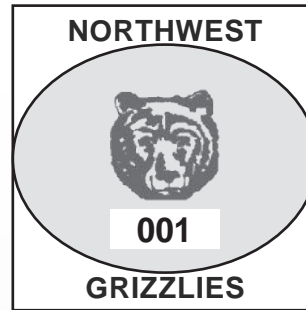

Our Graphics Department, in addition to offset printing and die cutting, specializes in high volume, auto-feed silk screening. This includes high level security, time sensitive and sequentially numbered items, printed on both standard and unique substrates such as vinyl, reflective and plastic. Center Industries Corporation is a licensed vendor for a national manufacturer, specializing in custom holograms and tamper resistant coverings for both indoor and outdoor applications. Combining years of experience with modern technology, our Graphics Division staff works with the customer to design a product that is both professional in its presentation and built correctly for its application.

## Benefits of Remanufactured Toner Cartridges from Disability Supports Enterprises, Inc.

Disability Supports Enterprises, Inc. (DSEI) is the entrepreneurial entity of Disability Supports of the Great Plains, Inc. DSEI was started to provide employment opportunities for people with developmental disabilities who may otherwise not get the chance to work for competitive wages at a meaningful job.

Individuals with disabilities who work at DSEI have an opportunity to do either some or all of the complicated process of remanufacturing toner cartridges, which allows them to attain the production necessary to make this venture economically feasible. It also allows these individuals to earn a higher wage than is available to them in more traditional work environments geared to people with disabilities.

DSEI goes a step farther than many other toner cartridge remanufacturers by replacing key, critical components that might otherwise render sub-standard results. This gives added value to our product and DSEI will continue to garner your business for the high quality toner cartridges you require in your office environment.

We are sure you will be pleased both with your purchase and knowing that you are an active participant in the creation of employment opportunities for people with disabilities.

- *Provides great employment opportunities for people with disabilities*
- ***DSEI** is a **State Use Vendor** through which State Agencies and USDs may comply with "The Kansas Use Law"*
- *Next day delivery from Corporate Express*
- *Competitive Pricing*
- *Good Value for your budget dollars*
- *Our cartridges are billed through Corporate Express—you get just ONE invoice.*
- *Quality that goes beyond industry standards*
- *Environmentally Responsible*

**D**isability Supports has been providing quality, community based services for individuals with developmental and other disabilities since 1996. Our relatively young age has allowed us to consider and do things differently than “the way it’s always been done.”

Disability Supports is a leader in innovative residential options for people with mild to severe disabilities. Many individuals who at one time would have been consigned to institutional care are now able to enjoy the benefits of living in their own home in their own community. Disability Supports takes the same approach to day services with opportunities such as the creation of Disability Supports Enterprises, Inc.—a remanufacturer of high-quality laser and inkjet cartridges.

If you would like to know more of the fascinating story of Disability Supports Enterprises and Disability Supports of the Great Plains, please contact us for information or a tour at 620-241-8411.

BTCO is a full-service document management provider — from specific projects to total document management systems. We provide quality digital conversion of documents, regardless of size, in a variety of formats and output media.

We specialize in scanning, indexing and archiving your information for quick and reliable retrieval — whether it be engineering drawings,

maps, plans, photographs or paper archives.

We delivers superior results at competitive prices using a highly trained staff and state-of-the-art technology. You can trust our qualified work force, which has consistently surpassed the contract requirements.

Allow us to do the same for you, and at the same time reduce your in-house expense for document storage and retrieval.

***BTCO is backed by more than 20 years of technical expertise in the document management industry, and an active NISH/JWOD contract provider.***

Business Technology Career Opportunities, Inc., is an affiliate and support organization of the Cerebral Palsy Research Foundation of Kansas, Inc.
